Ministry issues recommendations for the wearing of Masks

The Ministry of Health & Wellness wishes to advise persons to exercise caution in how they wear masks in the bid to prevent COVID-19. At the same time, members of the public must observe infection prevention measures, such as washing and sanitizing hands even while wearing the mask. The Ministry...

KEEP YOUR FAMILY SAFE

AVOID

- Close contact with people who are sick.
- Touching your eyes, nose, and mouth.
- Sharing cups, plates or other personal items.

Frequently clean and disinfect your household.

Have at least a 30-day supply of your prescription medications, health supplies, and food.

Cover your nose and mouth with a tissue when coughing and sneezing, then throw the tissue in the trash.

Get rest, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.
