

Press Releases

Take care of your mental health

The Ministry of Health and Wellness is encouraging Jamaicans who may be experiencing anxiety or stress out of concern over the Coronavirus Disease 2019 (COVID-19) to contact its mental health line at 888 NEW LIFE (888-639-5433). "Anxiety and stress are normal responses to a public health challenge of this magnitude...."

**HOW DO I PROTECT MYSELF AND
PREVENT THE SPREAD OF COVID-19?**

Wash your hands as often as possible

Always wash before/after you:

1. Eat
2. Touch your eyes, nose or mouth
3. After using the restroom
4. Sneeze, cough, blow or wipe your nose
5. Touch animals or pets

What are the steps of handwashing?

Wet hands
with water.

Apply enough soap to cover
all areas of your hands.

For 20 seconds, scrub the middle and back of both
hands, wrists, between fingers and under fingernails.

Rinse hands
properly.

Dry hands with
a paper towel.

Do Your Pap Smear Today – It Can Save Your Life

What is a Pap smear? A Pap smear is a screening test which is an easy way to check the cervix for abnormal cell changes. It detects early changes in the cells of the cervix. The cervix is the lower part of the uterus (womb), which opens into the vagina...
