

The diagram illustrates a 3D memory layout with three columns of blocks. The first column has a large orange block at the top, followed by two orange blocks, and then two light gray blocks. The second column has a large orange block at the top, followed by two orange blocks, and then two light gray blocks. The third column has a large orange block at the top, followed by two orange blocks, and then two light gray blocks. Each block contains a 2x2 grid of numbers.

Column	Block Type	Row 1	Row 2
Column 1	Large Orange	D6 55	C9 C4
	Orange	C8 16	AC C4
	Orange	AC A9	B9 BD
	Light Gray	00 34	00 36
Column 2	Large Orange	D6 55	C9 C4
	Orange	AC A9	B9 BD
	Orange	AC A9	B9 BD
	Light Gray	00 34	00 33
Column 3	Large Orange	C8 11	CD 89
	Orange	AC A9	B9 BD
	Orange	AC A9	B9 BD
	Light Gray	00 36	00 31

00 00 00 00 00 00 00 00
31 2E 31 32 33 32 3
