Updates on COVID-19 in Republic of Korea

12 August 2020

- As of 0:00, 12 August 2020, the total number of confirmed cases is 14,714 (including 2,591 imported cases), of which 13,786 cases have been discharged from isolation. There are 35 new local cases, 19 new imported cases, and 0 new death.

[Overall case and test status, as of 0:00, 12 August (cumulative since 3 January 2020)]

Period (since 3 Jan)	Total	Tested positive (PCR)				Testing in progress	Tested negative (PCR)
		Confirmed	Discharged from isolation	Under isolation	Deceased		
As of 0:00 11 August (Tue)	1,637,844	14,660	13,729	626	305	17,489	1,605,695
As of 0:00 12 August (Wed)	1,646,652	14,714	13,786	623	305	17,375	1,614,563
Difference	(+)8,808	(+)54	(+)57	(-)3	-	(-)114	(+)8,868

* Based on case data reported to the KCDC

※ Figures subject to correction based on findings from epidemiological investigations

- The current state* of major local clusters as of today (as of 12:00, 12 August) are as follows:
 - * The specific figures below may differ from the daily reported statistics (which are based on figures as of 0:00 today) or figures disclosed by local municipalities due to factors such as report timing and differences in the time period considered
 - Related to Euncheon Convalescent Hospital in Gwangak-gu, Seoul City, 2 additional cases were confirmed. The new cases are an inpatient and the inpatient's family member. In total, 6 cases have been confirmed.
 - Related to the Seoul regional Lotteria staff meeting, 6 additional cases were confirmed after the index case was confirmed on 11 August. In total, 7 cases have been confirmed.
 - 19 Lotteria staff had a gathering on 6 August. Further investigation is underway.
 - Risk factor: Gathering for an extended period of time; did not wear mask during gathering
 - Related to the Banseok Church in Pung-dong, Goyang City, Gyeonggi Province, 1 additional case was confirmed. The new case is a spouse of a Namdaemun Market merchant. In total, 34 cases have been confirmed.
 - In response to multiple cases found among Namdaemun Market merchants, Seoul City has set up a screening clinic at Namdaemun Market and testing people who had exposure.
 - Related to Junimui Saem Presbyterian Church in Gimpo-si, Gyeonggi Province, 5 additional cases were confirmed while under quarantine. The new cases are 1 church member, 3 coworkers of church member, and 1 acquaintance of church member. In total, 17 cases have been confirmed.
