○ KCDC asked the public to take precautions for travel and outdoor activities during the long holiday weekends.

[Before traveling]

- Do not travel or go outside if you have fever or respiratory symptoms such as cough, sore throat, sputum, and nasal congestion.
- Travel with only a handful of people (individuals or family). Avoid group travels.
- Purchase tickets online in advance rather than on-site.
- Avoid crowded places or times to visit.

[While traveling]

- Wash your hands often. If there is no soap and water, use hand sanitizer.
- Cover your nose and mouth with your sleeve, tissue, or handkerchief when coughing and sneezing.
- Avoid visiting crowded, closed places as much as possible.
- Keep 2 meter distance with others when moving or lining up.
- Use a personal vehicle to travel. Wear a facemask if using public transportation.
- When using rest stops, restaurants, or cafes, avoid crowded places and minimize time to stay. Keep 2 meter distance between tables and refrain from talking when dining together. Use delivery services or take-outs.

The Updates of COVID-19 in Republic of Korea

3 May, 2020

- When going to indoor facilities such as a shopping mall and supermarket, wear a facemask and avoid crowded areas and hours.
- Wear a facemask when it is not possible to keep 2 meter distance from others.
- Refrain from physical touch (handshake, hug, etc.) and other activities that may cause respiratory droplets to travel (singing, shouting, etc.)

[After traveling]

- Do not go to work or outside if having fever or respiratory symptoms. When high fever($\geq 38^{\circ}\text{C}$) continues and symptoms get worse, get a consultation with KCDC Call Center at 1339 (or local code + 120) or local healthcare center.
