Une première phase de la stratégie de sortie du #COVID19 débutera le lundi 20 avril: à ce moment-là, les chantiers de construction fonctionneront à nouveau. Cela affecte à la fois les entrepreneurs et les artisans qui travaillent sur ces sites. Mais pas seulement:

## PHASE 1

### COVID-19 DÉCONFINEMENT

La première phase porte sur la reprise des activités suivantes :

1. Relance des chantiers

2. Activités d'aide et d'assistance psycho-sociale dans l'éducation

3. Activités des jardiniers et paysagistes

4. Commerces dont l'activité principale est le bricolage

5. Réouverture des parcs de recyclage

Cette liste sera complétée le 4 mai par la reprise des classes terminales, ainsi que des stages et travaux pratiques au niveau du BTS et de l'université. Vu le nombre limité d'étudiants qui sont concernés par cette mesure, le respect de gestes-barrière stricts semble gérable.
