85* Deaths
163 Hospitalizations (COVID-19 and suspected cases)
Next update: **26.04.2020 between 17:30 - 18:00**

THE CORONAVIRUS

Definition

What is a pandemic?

How is COVID-19 coronavirus spread?

PROTECTION

The Government's strategy

How should I behave in order to be as little exposed as possible?

What should I do to protect myself and to avoid being contaminated?

When to wear a mask?

Who is considered vulnerable

I am a vulnerable person, what should I do?

Is the new coronavirus dangerous for children?

Does the new coronavirus pose a threat to pregnant women or fetuses?

Can I still visit elderly people in a care facility?

What to do in case of anxiety?

How to avoid fake news contamination?

SYMPTOMS AND SCREENING

What are the symptoms?

How do I know if I have COVID-19 or hay fever?

What if I have a health problem?

How does teleconsultation work?

How can I see my family doctor?

I urgently need a dentist, where can I go?

Where do I have to go to find out if I have Coronavirus?

What is the purpose of a thoracic scanner in case of suspicion of COVID-19?

Can my family doctor prescribe a laboratory test to identify the SARS-CoV-2-virus?

If I am suspected of being infected with COVID-19 and a test was executed, who receives the result of the test?

Can a blood test detect the presence of the virus?

Is there a vaccine against COVID-19?

MEASURES AND MEDICAL TREATMENT

I have been tested positive, what's the procedure?

- What does an isolation measure mean?
- What does an self-isolation measure mean?
- What does an self-quarantine measure mean?
- What does an self-monitoring measure mean?
- What treatment exists for COVID-19 infection?
- Are chloroquine or hydroxychloroquine effective against COVID-19?

MANAGEMENT OF THE HEALTH CRISIS

- What is the gradual exit strategy from confinement?
- Why has the government decided to limit or forbid certain activities, visits, events and others?
- Which protective measures are taken in hospital facilities?
- Are our hospitals and health services prepared to accommodate many patients?
- Which activities have been cancelled or severely limited?
- I am a volunteer, whom should I contact to offer my help?
- For all other questions related to COVID-2019, please consult the websites of the Luxembourg Government www.covid19.lu, the European Center for Disease Prevention and Control (ECDC) www.ecdc.eu or the World Health Organization (WHO) www.who.int.
