COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

New Zealand has 102 confirmed cases of COVID-19. For a summary of the current status see our [latest media release \(23 March\)](#). More information is available on our [current cases page](#). With continued vigilance the chance of widespread community outbreak is expected to remain low.

There are currently [restrictions on who can enter New Zealand](#). Travellers who have arrived in New Zealand within the last 14 days are being asked to self-isolate. See [Self-isolation](#) to find out more. You can [register for self-isolation online](#).

If you have been overseas within the last 14 days and develop a fever, cough or shortness of breath, call Healthline on [0800 358 5453](#).

New Zealand is currently at Alert Level 3 – Restrict

Rt Hon Jacinda Ardern has announced New Zealand COVID-19 alert levels. These new alert levels specify the public health and social measures to be taken. Nationwide, New Zealand is currently at Level 3 – Restrict. This means there is heightened risk that the disease is not contained.

See more information about [Alert levels](#).

Find out how to look after your [mental health and wellbeing when you have to stay at home](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.
