COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

New Zealand has **1,160** confirmed and probable cases of COVID-19. For a summary of the current status see our [latest media release \(7 April\)](#). More information is available on our [current cases page](#). With continued vigilance the chance of widespread community outbreak is expected to remain low.

New Zealand is currently at Alert Level 4 – Eliminate

These alert levels specify the public health and social measures to be taken. Nationwide, New Zealand is currently at Level 4 – Eliminate. This means that it is likely that the disease is not contained. See more information about [Alert levels](#).

Find out how to look after your [mental health and wellbeing during Alert Level 4](#).

Health and care workers – expressions of interest for COVID-19 response

We are seeking expressions of interest from health and care professionals who are able and willing to work for a limited amount of time as part of the national strategic approach to managing COVID-19. [Find out more](#)

Personal Protective Equipment (PPE)

[What's important for you to know about PPE for essential workers](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.
