COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

New Zealand has **1,479** confirmed and probable cases of COVID-19. More information is available on our [current cases page](#). With continued vigilance the chance of widespread community outbreak is expected to remain low.

New Zealand is currently at **Alert Level 3 – Restrict**. To find out more see:

- [Health and disability services at Alert Level 3](#)
- [Alert Level 3 information on the COVID-19 website](#) 

COVID-19 information on this website is reviewed and updated regularly. This includes advice for Alert Level 3.

Important updates

- **Contact tracing phone calls:** If you have been identified as a close contact, you can expect calls from Ministry of Health and Healthline. It is important to answer your phone. Find out how to recognise a call from the Ministry or Healthline at [Contact tracing](#).
- **Join the COVID-19 surge workforce:** We are seeking expressions of interest from health and care professionals who are able and willing to work for a limited amount of time as part of the national strategic approach to managing COVID-19. [Find out more](#).
- **Personal protective equipment (PPE):** [What's important for you to know about PPE](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.
