COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

On Monday 8 June at 11.59 pm New Zealand moved to **Alert Level 1**.
To find out more see [Health and disability services at Alert Level 1](#).

There are [no active cases of COVID-19 in New Zealand](#). New Zealand has had 1,504 confirmed and probable cases of COVID-19 - see our [current cases page](#).

The focus is now on protecting New Zealanders with:

- [robust border controls](#)
- [continued surveillance and testing](#)
- [contact tracing capability](#) and rapid isolation of new cases
- [public support to prevent any further spread, like good hygiene](#) and [keeping records of movement](#).

See our [elimination strategy for Aotearoa New Zealand](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

NZ COVID Tracer app

The official Ministry of Health contact tracing app helps you keep a digital diary of the places you've been.
