COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

There are 7 new cases of COVID-19 today.

As is our usual protocol we are tracing all close and casual contacts of these cases, and getting them tested for COVID-19. All close contacts will remain in self-isolation for 14 days, and all casual contacts will remain in self isolation until they have returned a negative test.

There are now 56 active cases of COVID-19 in New Zealand. See our [current cases page](#).

Alert levels

Until 11.59 pm Wednesday 26 August the Auckland region (Auckland Council area) is at **Alert Level 3** and the rest of New Zealand is at **Alert Level 2**. Find out more on the [Unite Against COVID-19 website](#).

Where to get a test for COVID-19 in Auckland

If you have symptoms you can:

- get a test at most GPs – call ahead to find out if you need a test and follow their advice
- get a test at a [Community Testing Centre](#) – this list will continue to be updated.

People in other regions can check their [local district health board website](#) to find out about testing in their area.

Regional exemptions at Alert Level 3

The Auckland city "border" is currently closed. Some exemptions will be allowed. For more information, including how to apply, [see advice for travellers](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.
