COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Case numbers

There is 1 new case of COVID-19 today, 16 September 2020. There are now 79 active cases of COVID-19 in New Zealand. See our [Current cases page](#).

Alert levels

All of New Zealand is at **Alert Level 2**. Gatherings within the Auckland region may involve a maximum of ten (10) people. There can be up to 50 people at funerals and tangihanga if the event is registered with the Ministry of Health. Find out more on the [Unite Against COVID-19 website](#).

Public transport

At 1pm Monday 14th September, the need for physical distancing on public transport was removed. Wearing masks on domestic flights or on public transport such as trains, buses and ferries remains mandatory.

See also: Information on [contact tracing](#) and [testing](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.
