COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Case numbers

There are 2 new cases of COVID-19 today, 29 September 2020. There are now 55 active cases of COVID-19 in New Zealand. See our **Current cases page**.

Alert Levels

Auckland is at Alert Level 2. The rest of New Zealand is at Alert Level 1. Find out more on the <u>Unite Against COVID-19 website</u>. The Government will review the Alert Level for Auckland on Monday 5 October.

In Auckland at Alert Level 2, wearing masks remains mandatory on domestic flights to, from or through Auckland, and on public transport such as trains, buses and ferries. Gatherings may include up to 100 people.

For the rest of New Zealand at Alert Level 1, wearing masks on domestic flights to, from or through Auckland is mandatory. While it is not mandatory to wear a mask on public transport, it is encouraged.

All of New Zealand should continue to do the following:

- sign into places, using the NZ COVID Tracer app or keep a record
- maintain good hygiene practices
- stay home if you're unwell and get a test.

For COVID-19 health advice and information, contact the Healthline team (for free) on <u>0800 358 5453</u> or <u>+64 9 358 5453</u> for international SIMS.
