COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Case numbers

There are 6 new cases of COVID-19 today, 8 November 2020. There are now 48 active cases of COVID-19 in New Zealand. See our <u>Current cases page</u> and the latest <u>News and media updates</u>.

The case and testing data pages have been reworked to group the data into useful categories and add explanatory information to provide meaning and context. <u>Feedback welcome</u>.

Alert Levels

All of New Zealand is at Alert Level 1. Find out more on the Unite Against COVID-19 website.

While it is not mandatory to wear a mask on public transport during Alert Level 1, it is encouraged.

All of New Zealand should continue to do the following:

- sign into places, using the <u>NZ COVID Tracer app</u> or keep a record
- maintain good hygiene practices
- stay home if you're unwell and get a test.

For COVID-19 health advice and information, contact the Healthline team (for free) on $\underline{0800\ 358\ 5453}$ or $\underline{+64\ 9\ 358\ 5453}$ for international SIMS.
