COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result.

Case numbers

As at 9 am 10 January 2021 there are 75 active cases of COVID-19 in New Zealand. See our <u>Current cases page</u> and the latest <u>News and media updates</u>.

Alert Levels

All of New Zealand is at Alert Level 1. Find out more on the Unite Against COVID-19 website.

Pre-departure testing requirements

See the latest current information on <u>pre-departure testing requirements for all passengers</u> from the United Kingdom and United States landing in New Zealand after 11.59pm (NZT) on 15 January 2021.

Make summer unstoppable

Look after yourself and your whānau this summer:

- wear a <u>mask or face covering</u> when using transport services in, into and out of Auckland and on passenger flights throughout New Zealand
- sign into places, using the NZ COVID Tracer app or keep a record
- maintain good hygiene practices
- stay home if you're unwell and get a test
- travel with a 'COVID-19 kit' soap, hand sanitiser and a face covering.

For COVID-19 health advice and information, contact the Healthline team (for free) on <u>0800 358 5453</u> or <u>+64 9 358 5453</u> for international SIMS.

COVID-19 vaccines

We're getting prepared so we can access safe and effective vaccines at the earliest possible time.

Find out more

NZ COVID Tracer app

The official Ministry of Health contact tracing app helps you keep a digital diary of the places you've been.
