# COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

## Current situation

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result.

### Case numbers

As at 9 am 20 January 2021 there are 76 active cases of COVID-19 in New Zealand. See our [Current cases page](#) and the latest [News and media updates](#).

### Alert Levels

All of New Zealand is at Alert Level 1. Find out more on the [Unite Against COVID-19 website](#).

### Pre-departure testing requirements

See the latest current information on [pre-departure testing requirements for all passengers](#) from the United Kingdom and United States landing in New Zealand after 11.59pm (NZT) on 15 January 2021.

### Make summer unstoppable

Look after yourself and your whānau this summer:

- wear a [mask or face covering](#) when using transport services in, into and out of Auckland and on passenger flights throughout New Zealand
- sign into places, using the [NZ COVID Tracer app](#) or keep a record
- maintain [good hygiene practices](#)
- [stay home if you're unwell](#) and [get a test](#)
- travel with a 'COVID-19 kit' – soap, hand sanitiser and a face covering.

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

## COVID-19 vaccines

We're getting prepared so we can access safe and effective vaccines at the earliest possible time.

[Find out more](#)

## NZ COVID Tracer app

The official Ministry of Health contact tracing app helps you keep a digital diary of the places you've been.
