COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result.

Locations of interest

- Auckland border-related cases: [contact tracing locations of interest](#)
- Northland community case: [contact tracing locations of interest](#)

New requirements for managed isolation facilities

See the [new requirements for guests and staff](#).

Find testing services throughout New Zealand

Find your local testing facility and opening hours on the [Healthpoint website](#).

Case numbers

As at 9 am 31 January 2021 there are 71 active cases of COVID-19 in New Zealand. See our [Current cases page](#) and the latest [News and media updates](#).

Alert Levels

All of New Zealand is at Alert Level 1. Find out more on the [Unite Against COVID-19 website](#).

Pre-departure testing requirements

See the latest information on [pre-departure testing requirements](#), which now apply to passengers arriving in New Zealand from all countries, with the exception of Australia, Antarctica and some Pacific Island nations.

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

COVID-19 vaccines

We're getting prepared so we can access safe and effective vaccines at the earliest possible time.
