COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result. Find your local testing facility on the [Healthpoint website](#).

Vaccines

- **Pfizer and BioNTech vaccine is set to arrive in New Zealand:** [When vaccinations will start](#).
- **3 February media release:** [Robust assessment ahead of Medsafe approval of vaccine](#).
- **Media standup:** Director-General of Health Dr Ashley Bloomfield and Medsafe Group Manager Chris James held a [media stand up to explain Medsafe's decision making process](#).

New interim measures for managed isolation facilities

See the [new interim measures for guests and staff](#).

Case numbers

As at 9 am 13 February 2021 there are 45 active cases of COVID-19 in New Zealand. See our [Current cases page](#) and the latest [News and media updates](#).

Alert Levels

All of New Zealand is at Alert Level 1. Find out more on the [Unite Against COVID-19 website](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

COVID-19 vaccines

We're expecting enough vaccines for everyone in New Zealand. They'll be free and voluntary for the general public.
