COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Alert Levels update

- Auckland is now at Alert Level 3 until midnight Wednesday 17 February.
- The rest of New Zealand is at Level 2 for the same period.
- This will be reviewed on a 24 hour basis.
- For more information about Alert Levels see the [Unite Against COVID-19 website](#).
- Find out about [Travel within New Zealand](#).

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result. Find your local testing facility on the [Healthpoint website](#).

February Auckland Cases

- [Latest media releases](#)

Case numbers

As at 9 am 16 February 2021 there are 46 active cases of COVID-19 in New Zealand. See our [Current cases page](#) and the latest [News and media updates](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

COVID-19 vaccines

We're expecting enough vaccines for everyone in New Zealand. They'll be free and voluntary for the general public.
