COVID-19 (novel coronavirus)

This section provides the latest updates, information and advice on COVID-19.

Current situation

Alert Levels update

- Auckland is now at Alert Level 2. The rest of New Zealand is at Alert Level 1.
- This will be reviewed on Monday 22 February.
- At Alert Level 1 and 2 you are now legally required to wear a face mask or covering on all public transport and flights throughout New Zealand.
- For more information about Alert Levels, see the [Unite Against COVID-19 website](#).

Anyone who has cold or flu symptoms should get a test and stay home until you have a negative test result. Find your local testing facility on the [Healthpoint website](#).

February Auckland Cases

Case numbers

As at 9 am 18 February 2021 there are 46 active cases of COVID-19 in New Zealand. See our [Current cases page](#) and the latest [News and media updates](#).

For COVID-19 health advice and information, contact the Healthline team (for free) on [0800 358 5453](#) or [+64 9 358 5453](#) for international SIMS.

COVID-19 vaccines

We're expecting enough vaccines for everyone in New Zealand. They'll be free and voluntary for the general public.

NZ COVID Tracer app

The official Ministry of Health contact tracing app helps you keep a digital diary of the places you've been.
