## Current situation

### Summary

|   |                           |                  |
|---|---------------------------|------------------|
| New cases reported during the past 24 hours   |                           | 1                |
| Active cases  | At the border             | 44               |
|   | In the community          | 7                |
|   | Under investigation/other | 0                |
|   | Total                     | 51               |
| Most recent case reported   |                           | 20 February 2021 |
| Most recent case reported due to community transmission (spread within our communities) |                           | 19 February 2021 |

All case outcomes since first New Zealand case

| COVID-19 cases | Change in last 24 hours | Total |
|----------------|-------------------------|-------|
| Active         | 0                       | 51    |
| Recovered      | 0                       | 2273  |
| Deceased       | 0                       | 26    |

## Case details

Number of active cases

|           | Change in last 24 hours | Total at present | Total since first NZ case |
|-----------|-------------------------|------------------|---------------------------|
| Confirmed | 0                       | 51               | 1994                      |

|              | Change in last 24 hours | Total at present | Total since first NZ case |
|--------------|-------------------------|------------------|---------------------------|
| Probable     | 0                       | 0                | 356                       |
| <b>Total</b> | 0                       | 51               | 2350                      |

#### Location of active cases

|                              | Change in last 24 hours | Total at present |
|------------------------------|-------------------------|------------------|
| In managed facilities        | 0                       | 51               |
| In hospital (not ICU)        | 0                       | 0                |
| In ICU                       | 0                       | 0                |
| At home or in self-isolation | 0                       | 0                |
| Not in isolation             | 0                       | 0                |
| Unknown                      | 0                       | 0                |

#### Source of active cases

|   | Change in last 24 hours | Total at present |
|---|-------------------------|------------------|
| People who travelled internationally and were diagnosed in managed facilities at the border | 0                       | 44               |
| People in close contact with someone who caught COVID-19 while overseas                     | 0                       | 0                |
| Caught COVID-19 from someone locally  | 0                       | 0                |
| Caught COVID-19 within NZ, but source is unknown  | 0                       | 0                |
| Under investigation   | 0                       | 7                |

#### Definitions

|                                |  |
|--------------------------------|--|
| <b>Active case - confirmed</b> | Confirmed cases are people that have been tested, and the test confirms they have COVID-19 (ie, a positive test). For more details, <a href="#">see the COVID-19 case definition</a> .   |
| <b>Active case - probable</b>  | A probable case is when someone is diagnosed based on their exposure to other people with COVID-19 and on their symptoms.  |
| <b>In managed facilities</b>   | In managed isolation or quarantine facilities; hospitalisation not needed  |
| <b>Recovered</b>               | Recovered cases are people who had the virus, where at least 10 days have passed since their symptoms started and they have not had symptoms for 72 hours, and they have been cleared by the health professional responsible for their monitoring. |

| Mid Central        | 0      | 32        | 0        | 32    | 0                       |
| Nelson Marlborough | 0      | 49        | 0        | 49    | 0                       |
| Northland          | 0      | 29        | 0        | 29    | 0                       |
| South Canterbury   | 0      | 17        | 0        | 17    | 0                       |
| Southern           | 0      | 214       | 2        | 216   | 0                       |
| Tairāwhiti         | 0      | 4         | 0        | 4     | 0                       |

| Location                       | Active    | Recovered   | Deceased  | Total       | Change in last 24 hours |
|--------------------------------|-----------|-------------|-----------|-------------|-------------------------|
| Taranaki                       | 0         | 16          | 0         | 16          | 0                       |
| Waikato                        | 0         | 193         | 2         | 195         | 0                       |
| Wairarapa                      | 0         | 8           | 0         | 8           | 0                       |
| Waitematā                      | 0         | 296         | 4         | 300         | 0                       |
| West Coast                     | 0         | 4           | 1         | 5           | 0                       |
| Whanganui                      | 0         | 9           | 0         | 9           | 0                       |
| Managed Isolation & Quarantine | 44        | 579         | 1         | 624         | 0                       |
| <b>Total</b>                   | <b>51</b> | <b>2273</b> | <b>26</b> | <b>2350</b> | <b>0 *</b>              |

**Note:** we cannot give detailed information about cases in your district, city or town, as we must protect the privacy of the people concerned.

\* There is one new case in MIQ. One previously reported case has been reclassified as under investigation. This gives no increase in total number of cases.
