Data Available from April 8, 2020 onwards

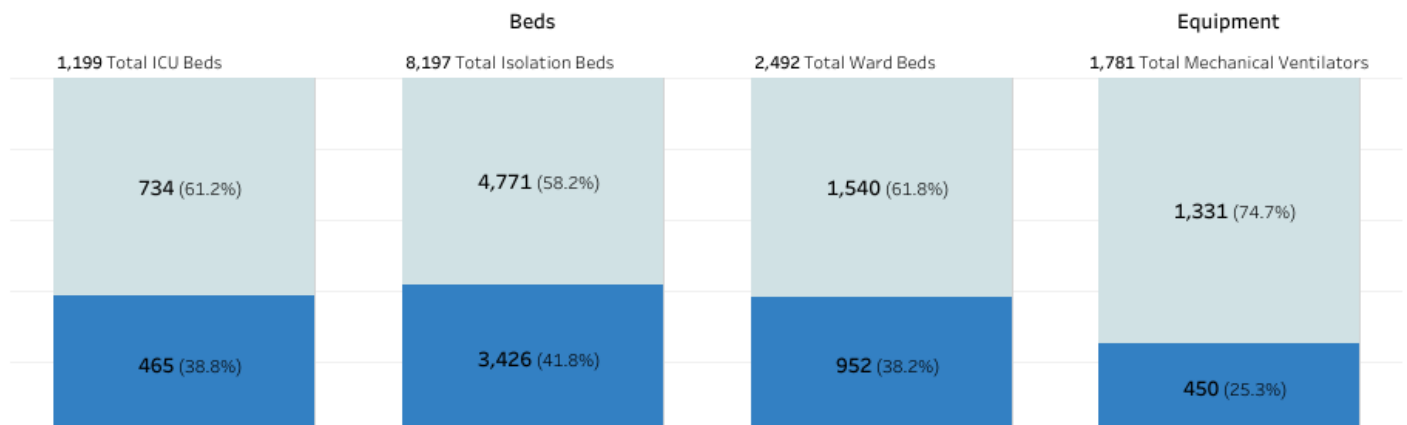

FACILITY CAPACITY

Region	Province	City/Muni	Facility
All	All	All	None

AVAILABILITY OF BEDS & MECHANICAL VENTILATORS IN DIFFERENT FACILITIES

Reported Daily by Facilities
Status: Occupied | Available

ICU Beds

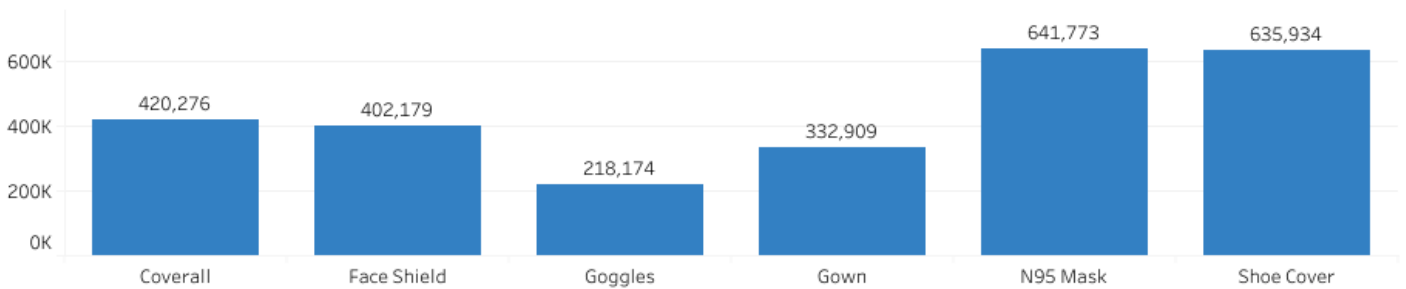

Isolation Beds

Ward Beds

Mechanical Ventilators

Note: These are beds dedicated exclusively for COVID-19 patients. 84% of facilities (1,489 out of 1,778) have reported bed availability on the DOH DataCollect app.
Disclaimer: As of April 12, there are 3,191 total dedicated beds for COVID-19 in facilities, 1,474 mechanical ventilators, and 12,413 beds in identified community isolation facilities across the country. The graph above shows utilisation in facilities that have submitted to the DOHDataCollect App only. Please interpret with caution as we improve data submission of all hospitals through the app.

AVAILABILITY OF PERSONAL PROTECTIVE EQUIPMENT (PPEs) IN DIFFERENT HOSPITALS
 Reported Weekly by Hospitals

Available head covers: 3,462,418
 Available surgical masks: 7,701,302

Note: 95% of facilities (1,697 out of 1,778) have reported PPE availability on the DOH DataCollect app. For PPE distributions, kindly refer to the Office of Civil Defense (OCD) data.

We are committed to promoting transparency and accountability. Feedback from you is an important part of learning to do things better. Send your views through covidtracker@doh.gov.ph

Latest Updates

DATE	TIME	UPDATE
May 04, 2020	5:00 PM	<p>DOH issues Press Release: DOH visits Sta. Ana Hospital, soon to be a Level 3 Hospital</p> <p>The Department of Health (DOH), with Manila Mayor Francisco “Isko Moreno” Domagoso, and Vice Mayor Honey Lacuna, recently inspected Sta. Ana Hospital to check the situation of its healthcare workers and facility. In his Labor Day message to the hospital officials and staff, Health Secretary Francisco T. Duque III said that Sta. Ana Hospital has what it takes to be a Level 3 hospital soon. Level 3 hospitals are facilities equipped with isolation rooms at the emergency and in-patient departments and are capable of managing infectious cases.</p>
May 01, 2020	5:00 PM	<p>DOH issues Press Release: DOH, other agencies work to prevent COVID-19 in closed-setting facilities</p> <p>The Department of Health, together with the Department of Justice, World Health Organization, and International Committee of the Red Cross (ICRC) conducted an initial assessment, investigation, and management of cases at the Correctional Institution for Women-Bureau of Corrections and New Bilibid Prison. This is the start of the ongoing coordination with the Bureau of Corrections (BuCor) and Bureau of Jail Management and Penology (BJMP) to conduct targeted testing, provide treatment and management of cases, and ensure that infection control measures are in place to prevent the spread of COVID-19 in penal and correctional facilities. Health Secretary Francisco T. Duque III assured that the DOH is also closely working with the ICRC in building isolation facilities for probable and suspect cases inside the New Bilibid Prison.</p>
April 30, 2020	5:00 PM	<p>DOH issues Press Release: DOH commends OsMak’s effective infection control measures</p> <p>Health Secretary Francisco T. Duque III commended Makati City’s efforts to keep the COVID-19 infection rate low amongst its healthcare workers during his visit in the Ospital ng Makati (OsMak) and the quarantine facility in Pembo Elementary School, today. Dr. Vergel Binay, OsMak’s OIC Medical Director reported to the Health Chief that only 18 out of its almost 1,300 healthcare workers have tested positive, or an infection rate of only 1.4 percent...</p>

April 28, 2020	5:00 PM	<p>DOH issues Press Release: Duque enlists governors in 5-point #BEATCOVID19 strategy</p> <p>Health Secretary Francisco T. Duque III briefed the League of Provinces of the Philippines (LPP) on Tuesday morning to rally the governors in their vital roles in the war against COVID-19 and in establishing a “new normal” afterward. “What is clear to us at this point is that this will require all of our commitments for long haul solutions. All of us will have to take on the role of public health leaders and managers to deliver our 5-point Strategy to defeat COVID-19 and a New Normal for the entire Philippines,” Duque said during the virtual conference attended by 44 incumbent Philippine governors...</p>
