**Note:** Total positive tests may be higher than total confirmed cases for the day because test results are undergoing case validation and processing.

### DAILY TESTS CONDUCTED

--- Maximum Daily Testing Capacity | Exceeds Maximum Capacity | Under Maximum Capacity  
Data Available from April 8, 2020 onwards

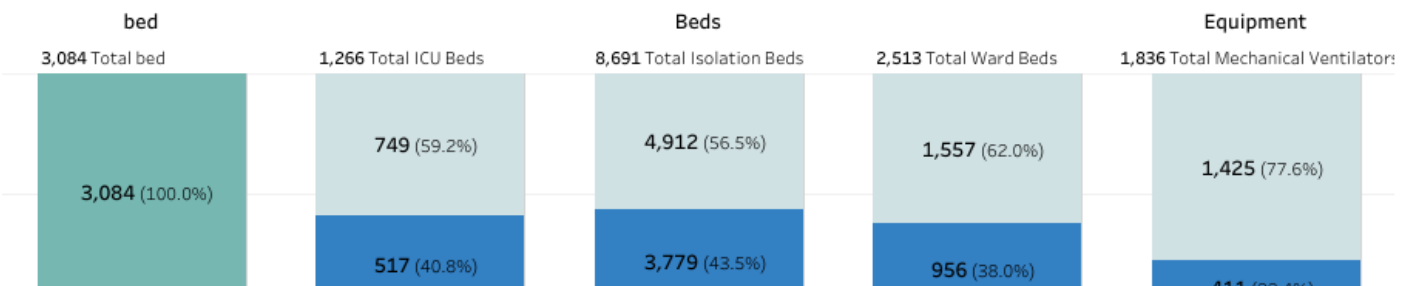

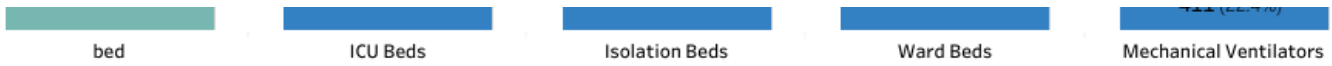

### FACILITY CAPACITY

Region	Province	City/Muni	Facility
All	All	All	None

### AVAILABILITY OF BEDS & MECHANICAL VENTILATORS IN DIFFERENT FACILITIES

Reported Daily by Facilities  
Status: Occupied | Available

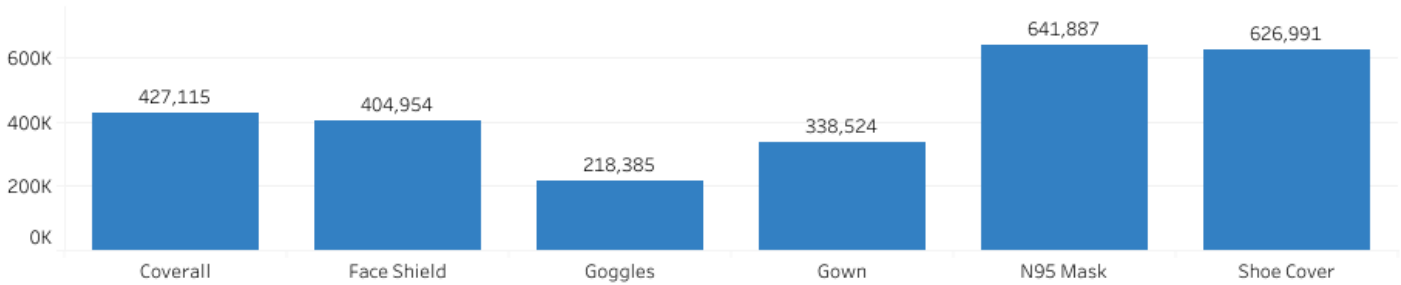

**Note:** These are beds dedicated exclusively for COVID-19 patients. 91% of facilities (1,650 out of 1,817) have reported bed availability on the DOH DataCollect app.

**Disclaimer:** As of April 12, there are 3,191 total dedicated beds for COVID-19 in facilities, 1,474 mechanical ventilators, and 12,413 beds in identified community isolation facilities across the country. The graph above shows utilisation in facilities that have submitted to the DOHDataCollect App only. Please interpret with caution as we improve data submission of all hospitals through the app.

**AVAILABILITY OF PERSONAL PROTECTIVE EQUIPMENT (PPEs) IN DIFFERENT HOSPITALS**  
Reported Weekly by Hospitals

Available head covers: 3,474,476  
Available surgical masks: 7,707,309

**Note:** 96% of facilities (1,738 out of 1,817) have reported PPE availability on the DOH DataCollect app. For PPE distributions, kindly refer to the Office of Civil Defense (OCD) data.

We are committed to promoting transparency and accountability. Feedback from you is an important part of learning to do things better. Send your views through [covidtracker@doh.gov.ph](mailto:covidtracker@doh.gov.ph)

**Data sources:** Confirmed case data from the Epidemiology Bureau (EB). Health System capacity data from the DataCollect app as of today. Tableau Public visualization designed in collaboration with Nel Jason Haw and Thinking Machines.

## Latest Updates

DATE	TIME	UPDATE
May 05, 2020	5:00 PM	<p><b>DOH issues Press Release: New mega swabbing center to ramp up COVID-19 testing</b></p> <p>The Department of Health (DOH) today, together with National Action Plan Against COVID-19 Chief Implementer Secretary Carlito Galvez, Jr. and Deputy Chief Implementer Secretary Vivencio Dizon, inspected the Palacio de Maynila Tent swabbing center, one of the four mega swabbing centers expected to test an estimated 20,000 returning Overseas Filipino Workers (OFWs) starting tomorrow. Health Secretary Francisco T. Duque III checked on whether the facility observes DOH-issued protocols on testing and proper distancing by going through a short simulation of the crowd and patient management in the facility...</p>
May 05, 2020	5:00 PM	<p><b>DOH issues Press Release: DOH: No new cases in 41 provinces; past two weeks indicate flattening curve</b></p> <p>No new cases of COVID-19 have been reported in 41 provinces across the nation over the course of the last two weeks, making the Department of Health (DOH) optimistic that the current measures to control the infection spread are effective. In Tuesday's Beat COVID-19 Virtual Presser, the DOH also noted that the case doubling time, or the time it takes for newly reported cases to increase two-fold, has slowed significantly since the beginning of the outbreak-- one of the signs that the COVID-19 curve is starting to flatten...</p>
May 05, 2020	5:00 PM	<p><b>DOH issues Press Release: PH starts to flatten curve; ECQ, physical distancing pay off</b></p> <p>After a month and a half into the enhanced community quarantine (ECQ), the Department of Health (DOH) reported in a media forum Tuesday that the country is starting to flatten the COVID-19 curve. Health Undersecretary Dr. Maria Rosario Singh-Vergeire, reported that the country is starting to experience a flattening of the COVID-19 curve. However, she warned of a resurgence of cases when the ECQ is lifted and people start being complacent about social distancing. "Sana matulungan nyo kami na hindi pa rin dapat maging complacent," she appealed to media during the forum...</p>

May 04, 2020 5:00 PM **DOH issues Press Release: LGUS, DOH ramp up testing capacity; more measures to manage infection spread**  
*In collaboration with the Marikina and Taguig city governments, the Department of Health (DOH) has officially accredited two additional testing facilities, the Marikina Molecular Laboratory and Bonifacio Global City's (BGC) second drive-thru facility, to bolster the nation's testing capacity. In Monday's virtual press conference, Health Undersecretary Dr. Maria Rosario Vergeire announced that the two facilities successfully met the World Health Organization's (WHO) biosafety standards for the working environment and personnel training...*

May 04, 2020 5:00 PM **DOH issues Press Release: DOH visits Sta. Ana Hospital, soon to be a Level 3 Hospital**  
*The Department of Health (DOH), with Manila Mayor Francisco "Isko Moreno" Domagoso, and Vice Mayor Honey Lacuna, recently inspected Sta. Ana Hospital to check the situation of its healthcare workers and facility. In his Labor Day message to the hospital officials and staff, Health Secretary Francisco T. Duque III said that Sta. Ana Hospital has what it takes to be a Level 3 hospital soon. Level 3 hospitals are facilities equipped with isolation rooms at the emergency and in-patient departments and are capable of managing infectious cases.*

**DAILY GLOBAL SITUATION (DATA AS OF 04 MAY 2020)**

<b>Global</b>	3,435,894 confirmed (86,108 new)
<b>South-East Asia</b>	67,673 confirmed (3,626 new)
