EPIDEMIOLOGY

Region	Province / Highly Urbanized City / Independent Component City	Note: Provincial and regional totals may slightly change daily because by default, the current address as reported in the case investigation form is used, whenever available. Continuing follow-up of the patient after public announcement ascertains their region, usually the region where they are admitted or quarantined, and this may be different from the region of their current residence.
All	All	

10,463
 TOTAL CASES (NATIONWIDE)
 RT-PCR Positive by DOH-RITM certified lab as of May 8, 2020

120
 New Cases

Active Cases 8,033	Died 696	Recovered 1,734
-----------------------	-------------	--------------------

ACTIVE CASES
 confirmed cases neither died or recovered,
 counts change as validation continues
8,033

DIED
 deaths of confirmed cases

Data Available from April 8, 2020 onwards

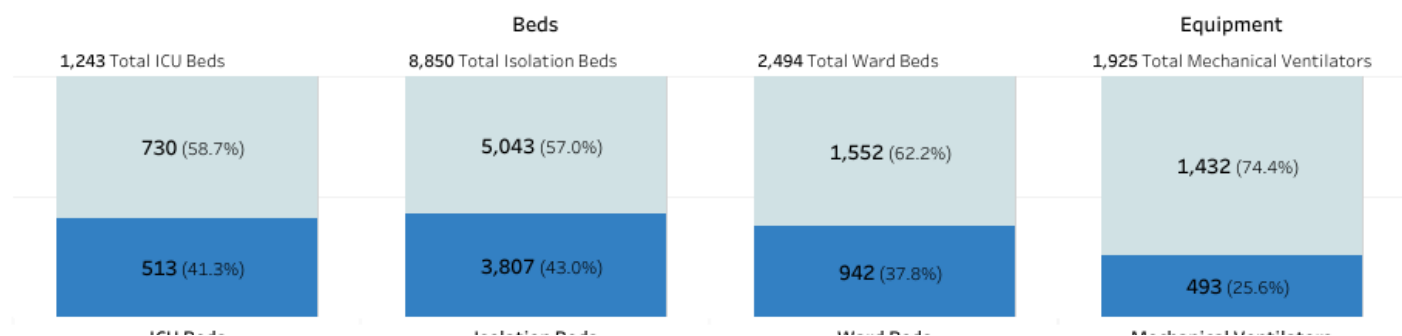

FACILITY CAPACITY

Region	Province	City/Muni	Facility
All	All	All	None

AVAILABILITY OF BEDS & MECHANICAL VENTILATORS IN DIFFERENT FACILITIES

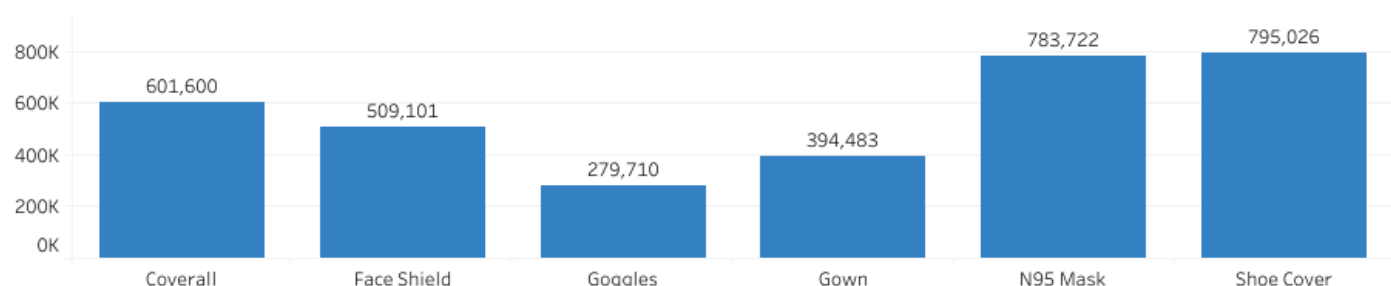

Reported Daily by Facilities
Status: Occupied | Available

Note: These are beds dedicated exclusively for COVID-19 patients. 96% of facilities (1,765 out of 1,846) have reported bed availability on the DOH DataCollect app.

Disclaimer: As of April 12, there are 3,191 total dedicated beds for COVID-19 in facilities, 1,474 mechanical ventilators, and 12,413 beds in identified community isolation facilities across the country. The graph above shows utilisation in facilities that have submitted to the DOHDataCollect App only. Please interpret with caution as we improve data submission of all hospitals through the app.

AVAILABILITY OF PERSONAL PROTECTIVE EQUIPMENT (PPEs) IN DIFFERENT FACILITIES
Reported Weekly by Facilities

Available head covers: 4,356,926

Available surgical masks: 9,608,084

Note: 96% of facilities (1,768 out of 1,846) have reported PPE availability on the DOH DataCollect app.

For PPE distributions, kindly refer to the Office of Civil Defense (OCD) data.

We are committed to promoting transparency and accountability.

DATE	TIME	UPDATE
May 08, 2020	5:00 PM	DOH issues Press Release: Biggest mega swabbing center in MOA Arena, to open on Monday <i>Health Secretary Francisco T. Duque III, with National Action Plan Against COVID-19 Deputy Chief Implementer Secretary Vivencio Dizon and Philippine Red Cross Chairperson Senator Richard Gordon, inspected today the designated southern sector swabbing center in the SM Mall of Asia Arena, the biggest among the centers previously inspected. Said mega swabbing center has 72 testing booths that will be manned by a pool of health personnel hired by the Department of Health and the Philippine National Police medical staff. It is expected to add up to 1,500 tests in our country's daily testing capacity. "Having swabbing sites this big is really important in our fight against COVID-19. With its 1,000-1,500 daily testing capacity, we are assured that we have enough facility to test our returning Overseas Filipinos, and later on, those in their respective communities as we help their local government," Sec. Duque said...</i>
May 07, 2020	5:00 PM	DOH issues Press Release: PH gov't receives 7 metric tons of PPEs and medical supplies from UAE <i>Health Secretary Francisco T. Duque III together with National Plan Against COVID-19 Chief Implementer Secretary Carlito Galvez, Jr. and Foreign Affairs Secretary Teodoro Locsin, Jr., formally received a total of seven (7) metric tons of personal protective equipment (PPEs) and other medical supplies from the Government of the United Arab Emirates today...</i>
May 07, 2020	5:00 PM	DOH issues Press Release: Duque thanks Navy frontliners for PPE mission in China <i>Health Secretary Francisco T. Duque III expressed his gratitude to the Philippine Navy frontliners who sailed to Xiamen, China to pick up a shipment of 23,385 boxes of Personal Protective Equipment (PPEs) ordered by the Philippine government for its health frontliners. "Commander Rogelio Lachica and the brave sailors of the BRP Bacolod City, Philippine Navy deserve praise and gratitude for undertaking this mission during difficult times. Those PPEs are essential to protecting our heroic health frontliners from COVID-19," Duque said...</i>
May 06, 2020	5:00 PM	DOH issues Press Release: Beyond numbers: What the flattening curve really means; protecting children in the time of COVID-19 <i>The Philippines is beginning to flatten the curve. This was reiterated in the May 6 Beat COVID-19 Virtual Presser with Health Undersecretary Dr. Maria Rosario Singh-Vergeire and Dr. John Wong, an epidemiologist with the Inter-Agency Task Force's (IATF) sub-technical working group on data analytics. "Lahat po ng ating mga sakripisyo nitong nakaraang linggo ay hindi napunta sa wala. Nakikitaan na po natin ng mga senyales na napa-flatten na natin ang curve. Ibig pong sabihin, dahil sa ating pagtutulungan at pakikiisa sa mga inisyatiba ng gobyerno, nasimulan na nating pabagalin ang pagdami ng mga kumpirmadong kaso ng COVID-19 upang hindi ma-overwhelm ang ating mga ospital at health system," explained USec. Singh-Vergeire...</i>

DOH issues Press Release: 2nd mega swabbing center set to operate; DOH to provide 400 health personnel

Following the inspection of the first mega swabbing center in Roxas Boulevard yesterday, the Department of Health (DOH), together with National Action Plan Against COVID-19 Chief Implementer Secretary Carlito Galvez, Jr. and Deputy Chief Implementer Secretary Vivencio Dizon, National Defense Secretary Delfin Lorenzana and Taguig City Mayor Lino Cayetano, inspected the designated eastern sector swabbing center inside Enderun Colleges in Taguig City today. "We are still putting together the manpower who will operate these swabbing booths, but the DOH has agreed to supply these mega swabbing centers with 400 human resources for health," said Health Secretary Francisco T. Duque III signifying his commitment to support the operation of the four swabbing centers in Manila and Bulacan.
