EPIDEMIOLOGY

Region All	Province / Highly Urbanized City / Independent Component City All
---------------	--

Note: Provincial and regional totals may slightly change daily because by default, the current address as reported in the case investigation form is used, whenever available. Continuing follow-up of the patient after public announcement ascertains their region, usually the region where they are admitted or quarantined, and this may be different from the region of their current residence.

11,350

TOTAL CASES (NATIONWIDE)

RT-PCR Positive by DOH-RITM certified lab as of May 12, 2020

264

New Cases

Active Cases 8,493	Died 751	Recovered 2,106
-----------------------	-------------	--------------------

Latest Updates

DATE	TIME	UPDATE
May 10, 2020	5:00 PM	<p>DOH issues Press Release: ADB-sponsored COVID-19 Lab in Pampanga launched to ramp up PH daily capacity by 3,000</p> <p>Health Secretary Francisco T. Duque III, together with Cabinet Secretary Karlo Nograles and other officials of the Department of Health (DOH), inaugurated the state-of-the-art Asian Development Bank (ADB)-funded Molecular and Diagnostic Pathology Laboratory of the Jose B. Lingad Memorial General Hospital (JBLMGH) in San Fernando, Pampanga yesterday, May 9, 2020. JBLMGH was the recipient of the US\$2.5 million dollar-grant from the ADB to set up a Pandemic Sub national Reference Laboratory which will ramp up the country's testing capacity by an additional 3,000 tests daily.</p>
May 09, 2020	5:00 PM	<p>Joint Memorandum Circular No. 1, s. 2020: Occupational Safety and Health (OSH) Standards for the Public Sector</p> <p>This Guidelines on Occupational Safety and Health Standards for the Public Sector is aimed at protecting all government employees from the dangers of injury, sickness or death in the workplace through the adoption of safe and healthy working conditions to ensure the preservation of human lives and resources and prevent loss/damage of properties...</p>
May 08, 2020	5:00 PM	<p>DOH issues Press Release: Biggest mega swabbing center in MOA Arena, to open on Monday</p> <p>Health Secretary Francisco T. Duque III, with National Action Plan Against COVID-19 Deputy Chief Implementer Secretary Vivencio Dizon and Philippine Red Cross Chairperson Senator Richard Gordon, inspected today the designated southern sector swabbing center in the SM Mall of Asia Arena, the biggest among the centers previously inspected. Said mega swabbing center has 72 testing booths that will be manned by a pool of health personnel hired by the Department of Health and the Philippine National Police medical staff. It is expected to add up to 1,500 tests in our country's daily testing capacity. "Having swabbing sites this big is really important in our fight against COVID-19. With its 1,000-1,500 daily testing capacity, we are assured that we have enough facility to test our returning Overseas Filipinos, and later on, those in their respective communities as we help their local government," Sec. Duque said...</p>

May 08, 2020	5:00 PM	<p>DOH issues Press Release: ECQ buys PH time; continued practice of healthy behavior needed to sustain gains</p> <p><i>The Philippines' positivity rate, a measurement of how many people test positive for COVID-19 for tests conducted, is now at 10%, which meets the benchmark set by the World Health Organization (WHO). In today's media forum, Health Undersecretary Dr. Maria Rosario Singh-Vergeire discussed the welcome news with Dr. Edsel Salvana and Dr. Anna Ong-Lim, both members of the Technical Advisory Group that advises the Department of Health (DOH) and the Inter-Agency Task Force (IATF). Considering that the country has been ramping up its testing capacity, and that the strategy for testing targets high-risk individuals, the low positivity rate has strengthened the DOH's confidence that the overall strategy to beat COVID-19 has had a profound effect on preventing the infection spread.</i></p>
