**Note:** Total positive tests may be higher than total confirmed cases for the day because test results are undergoing case validation and processing. The DOH is currently improving the reporting mechanisms of COVID-19 testing laboratories. At present, the Department publishes both daily and cumulative total tests that are self-reported by the testing labs. We acknowledge there are inconsistencies in the data and will pause further updates until these issues are clarified with the laboratories as soon as possible.

## Latest Updates

DATE	TIME	UPDATE
May 18, 2020	5:00 PM	<p><b>DOH issues Press Release: DOH to deputize med grads to assist in nat'l COVID-19 response</b></p> <p>Consistent with the provisions of Republic Act (R.A.) 11469 or the "Bayanihan to Heal as One Act" and R.A. 2382 or the "Medical Act of 1959," the Department of Health (DOH) issued the Department Memorandum No. 2020-0169 last Saturday, which allows medical graduates to engage in limited practice of medicine as deputized physicians, without need of any certificate of registration from the Professional Regulation Commission...</p>
May 16, 2020	5:00 PM	<p><b>DOH issues Press Release: Malasakit: panlaban natin sa COVID-19; former UP Chancellor contextualizes pandemic for Filipinos</b></p> <p>The easing of the community quarantine across the Philippines is a huge breath of relief for many Filipinos whose lives and livelihoods have been displaced, but experts from the academic community caution that day-to-day behavior has to change until a vaccine is found. In the May 16 media forum, medical anthropologist and University of the Philippines (UP) professor, Dr. Michael Tan, appealed to both the government and the public to practice healthy behaviors while the virus continues to pose risks. The former UP Chancellor also called on all Filipinos to be kinder and more understanding, highlighting the importance of social solidarity in the fight against COVID-19.</p>
May 14, 2020	5:00 PM	<p><b>DOH issues Press Release: Experts rally behind DOH data integrity, AIM, Ateneo data scientists affirm validity of findings</b></p> <p>With the easing of the quarantine across the nation presenting a new chapter in the Philippines' fight against COVID-19, local experts have rallied behind the Department of Health (DOH) to affirm the government's decision-making process through sound reporting of data. According to data scientists Dr. Reena Estuar of the Ateneo de Manila University and Dr. Maya Herrera of the Asian Institute of Management (AIM), as the country is battling a new virus, data is not always guaranteed with 100% accuracy. In a media forum this morning, both described how the DOH goes through a rigorous process in ensuring data accuracy in the reporting of COVID cases...</p>

May 13, 2020	5:00 PM	<p><b>DOH issues Press Release: Government offers full support in quarantine, isolation facilities</b></p> <p>With the incoming easing and lifting of community quarantines across the nation, the government has been bolstering its testing, isolation, and quarantine facilities to prevent overwhelming the healthcare system when a possible spike in infection occurs. In today's Beat COVID-19 Virtual Presser, Health Undersecretary Dr. Maria Rosario Singh-Vergeire discussed with Bases Conversion and Development Authority President and CEO Vince Dizon how the government is improving the country's isolation measures as part of its national response against COVID-19...</p>
