### PRESS RELEASE

---

#### Department of Health addresses follow-up news item generated on press conference

APRIL 6, 2020

#### Press Update (31st March 2020)

APRIL 6, 2020

#### Press Update (29th March 2020)

APRIL 6, 2020

### HEALTH TIP

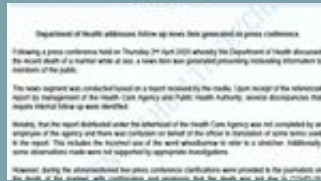

Protect yourself from COVID-19. Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water. Why? Washing your hands with soap and water or using alcohol-based hand rub kills viruses that may be on

your hands.
