Department of Health Seychelles

As part of Department of Health overall effort to engage with the community to foster patient safety and health worker safety to commemorate World Patient Safety Day celebrated on the 17th September, teams of health care workers & partners wearing yellow T-shirts and face coverings will be at several strategic locations all over the country this weekend on Saturday 19th September 2020, to interact with members of the public, to sensitize them further on the necessity for COVID-19 infection prevention and control. Hand sanitizers and face masks will be on offer to the lucky ones.
