Public Health Agency

If you're living with diabetes, make sure you keep your eyes healthy and prevent diabetic retinopathy by:

- 1) Getting your eyes screened
- 2) Look out for any changes to your eyesight
- 3) Know your blood sugar levels and keep it under control
- 4) Manage your blood pressure and cholesterol
- 5) Eat a healthy diet, get active and quit smoking

As we celebrate World Sight Day 2020, remember there is Hope in Sight, therefore let's do everything to maintain it. Book an Eye Test Today!!
