Department of Health Seychelles

Public Health Agency

The Health Care Agency wishes to thank the management and staff of H.Savy Insurance for their generous donation of a computer for the Blood Transfusion Center. The computer will be used primarily for a new blood bank software where a complete database on all our blood donors are kept as well as other transfusion-related records.  

The computer was handed over to the Blood Transfusion Center by the Life Manager of H.Savy Insurance, Ms. Michelle Lafortune and was accepted by Mrs. Joanne Michel, the Chief of Laboratory Services and Blood Transfusion Center.
