When something goes wrong in your life, do you normally take a moment to step back and see what went wrong and what you could do differently next time?. This process is call Self-reflection. Self-reflection can spark insight, which can alter the way we see ourselves and those around us.

Benefits include:

- Improve Self-Awareness
- Provide Perspective
- Allow You to Respond, Not React
- Facilitate a Deeper Level of Learning
- Improve Confidence
- Challenge Your Assumptions
