Visits by Minister Peggy Vidot, conducted in the south to the Takamaka & Baie Lazare Health Centre, and the Wellness Centre at Les Canelles.

The staff eagerly described the layout and operations of the facilities, as well as the challenges that they face. While listing these, they also explored ways to strengthen services so as to improve both their work experience and that of the patient's.

Minister Vidot welcomed the feedback and suggestions for immediate and longterm development. She further thanked the staff for their commendable work and continued devotion.
