NOTICE

Anyone with symptoms related to Covid-19 are asked to report to special stations at Glacis Health Centre, Baie Lazare Health Centre and Mont Fleuri Health Centre between 8am-12pm and 1pm-2pm. People who use these health centres for regular consultations, should go to their regional centres.

.....

To protect health facilities from COVID-19, Health Care

Agency is reinforcing the following measures

- No visitor is allowed to ICU
- Only one visitor per patient is allowed to the Seychelles Hospital
- Strictly no child allowed for visits on the wards
- Wearing of masks in all health facilities is mandatory for patients, staff and visitors
