

## UPDATES ON COVID-19 (CORONAVIRUS DISEASE 2019) LOCAL SITUATION

### ! Clarifications On Misinformation ✕

23 Mar 2020: MOH would like to clarify that the World Health Organisation (WHO) had reaffirmed that the COVID-19 virus is spread mainly through droplets. However, the WHO noted that certain specialised procedures performed in healthcare settings may cause the virus to be aerosolised, and recommended that healthcare professionals take extra precautions in such settings. All hospitals in Singapore have put in place these extra precautions since the start of the outbreak

21 Mar 2020: MOH is aware of a message requesting for volunteers to man our call centre. We wish to clarify that this is not true.

*We advise members of the public to not speculate and/or spread unfounded rumours. Please visit [www.moh.gov.sg](http://www.moh.gov.sg) for updates on the COVID-19 situation and click [here](#) for past clarifications.*

It's **ORANGE** now but you can

# STAY SAFE WITH THE 5M'S

Play your part in containing the spread of COVID-19 (Coronavirus Disease 2019) by following the **5M's**.

-  **MANAGE MY HEALTH**  
By keeping a close watch on my body for symptoms.
-  **MAINTAIN CLEAN HANDS**  
Through good personal hygiene of regular hand washing with soap and water.
-  **MINIMISE CONTACT**  
With those who are unwell.
-  **MASK UP WHEN UNWELL**  
And visit the doctor immediately.
-  **MONITOR THE NEWS**  
With [moh.gov.sg](#) and [Gov.sg WhatsApp](#).

**DORSCON Orange** indicates that while the disease is severe and spreads easily from person to person, it has not spread widely and is being contained in Singapore. Be socially responsible. Maintain good personal hygiene. Look out for health advisories. Comply with control measures.

 **PRACTISE GOOD PERSONAL HYGIENE**  
The Ministry of Health has introduced additional measures to safeguard public health. Check [www.moh.gov.sg](#) for the latest updates.
