

UPDATES ON COVID-19 (CORONAVIRUS DISEASE 2019) LOCAL SITUATION

Clarifications on Misinformation

27 Mar 2020: We are aware of a message circulating on social media and text messaging platforms about a Safe-Distancing Ambassador who allegedly issued a \$300 fine to a person for sitting on a seat which was marked as 'not to be occupied'. We wish to clarify that this false.

Safe-Distancing Ambassadors are deployed to help ensure that safe distancing measures are complied with. They do not issue fines.

Please click [here](#) for more information.

27 Mar 2020: We are aware of scammers using automated voice calls or impersonating as MOH staff or contact tracing team, asking users to provide personal information including financial details, or collect documents from the Ministry. We wish to clarify that:

- MOH will not ask for your financial details during contact tracing; and
- MOH will not ask you to collect documents from us, if you do not have existing matters with us.

When in doubt, please verify the authenticity of phone calls by calling MOH hotline at 1800-333-9999. It is a good practice to always verify the authenticity of instructions before offering any personal information or making payments to anyone.

We advise members of the public to not speculate and/or spread unfounded rumours. Please visit www.moh.gov.sg for updates on the COVID-19 situation and click [here](#) for past clarifications.

INFOGRAPHICS AND POSTERS

It's **ORANGE** now but you can

STAY SAFE WITH THE 5M'S

Play your part in containing the spread of COVID-19 (Coronavirus Disease 2019) by following the **5M's**.

-  **MANAGE MY HEALTH**
By keeping a close watch on my body for symptoms.
-  **MAINTAIN CLEAN HANDS**
Through good personal hygiene of regular hand washing with soap and water.
-  **MINIMISE CONTACT**
With those who are unwell.
-  **MASK UP WHEN UNWELL**
And visit the doctor immediately.
-  **MONITOR THE NEWS**
With [moh.gov.sg](#) and [Gov.sg WhatsApp](#).

DORSCON Orange indicates that while the disease is severe and spreads easily from person to person, it has not spread widely and is being contained in Singapore. Be socially responsible. Maintain good personal hygiene. Look out for health advisories. Comply with control measures.

 **PRACTISE GOOD PERSONAL HYGIENE**
The Ministry of Health has introduced additional measures to safeguard public health.
Check [www.moh.gov.sg](#) for the latest updates.
