 Listen 

As of 12 April 2020, 12pm, the Ministry of Health (MOH) has confirmed an additional 233 cases of COVID-19 infection in Singapore.

Among the cases:

- 0 imported
- 51 are linked to known clusters
- 15 are linked to other cases
- 167 are pending contact tracing, of which 16 are Singapore Citizens/ Permanent Residents and 10 are Work Pass or Long Term Pass holders residing in our community; and 141 are Work Permit holders, mostly residing in dormitories, work sites and other living quarters.

32 more cases of COVID-19 infection have been discharged from hospitals or community isolation facilities. Of the 976 confirmed cases who are still in hospital, most are stable or improving. 31 are in critical condition in the intensive care unit.

988 cases who are clinically well but still test positive for COVID-19 are isolated and cared for at community facilities.

To date, 8 have passed away from complications due to COVID-19 infection.

For more details, refer to MOH's [press release](#).

For an overview of the COVID-19 cases in Singapore, refer to the table below:
