 Listen 

As of 19 April 2020, 12pm, the Ministry of Health (MOH) has confirmed an additional 596 cases of COVID-19 infection in Singapore.

Among the cases:

- 0 imported case
- 30 are cases in the community
 - 25 Singaporeans/Permanent Residents and 5 Work Passes
- 22 are Work Permit holders residing outside dormitories
- 544 are Work Permit holders residing in dormitories

Of the new cases, 68% are linked to known clusters, while the rest are pending contact tracing.

26 more cases of COVID-19 infection have been discharged from hospitals or community isolation facilities. To date, 768 have fully recovered from the infection and have been discharged from hospitals or community isolation facilities.

Of the 2,921 confirmed cases who are still in hospital, most are stable or improving. 22 are in critical condition in the intensive care unit.

2,888 cases who are clinically well but still test positive for COVID-19 are isolated and cared for at community facilities.

11 have passed away from complications due to COVID-19 infection.

For more details, refer to MOH's [press release](#).
