Listen

As of 2 July 2020, 12pm, the Ministry of Health (MOH) has confirmed 215 new cases of COVID-19 infection in Singapore.

Among the cases:

- Imported cases: **1**
  - 1 Work Pass holder

  There is an imported case today involving a Filipino national who had returned to Singapore from the United Kingdom on 20 June 2020. She is a Work Pass holder who is currently employed in Singapore. She was placed on Stay-Home Notice upon arrival in Singapore, and had been conveyed in a dedicated transport to an SHN facility to commence her 14-day isolation. She is asymptomatic, and had been tested while serving SHN.

- Cases in the community: **10**
  - 8 Singaporeans/Permanent Residents, 2 Work Permit holders

- Cases residing in dormitories: **177**

Of new cases, 98% are linked to known clusters, the rest are pending contact tracing.

418 more cases of COVID-19 infection have been discharged from hospitals or community isolation facilities. To date, 39,429 have fully recovered from the infection and have been discharged from hospitals or community isolation facilities.

Most of the 201 confirmed cases who are still in hospital are stable or improving. 1 is in critical condition in the intensive care unit.

4,654 cases who have mild symptoms, or are clinically well but still test positive for COVID-19 are isolated and cared for at community facilities.

26 have passed away from complications due to COVID-19 infection.
