Listen

As of 17 November 2020, 12pm, the Ministry of Health (MOH) has confirmed and verified that there are no new cases of locally transmitted COVID-19 infection. There are 6 imported cases, who had already been placed on Stay-Home Notice (SHN) upon arrival in Singapore. Amongst the new cases today, 5 are asymptomatic, and were detected from our proactive screening and surveillance, while 1 was symptomatic.

Overall, the number of new cases in the community has remained low, with no new cases in the past week. Among the cases:

- Cases in the community: **0**

There are no cases in the community today.

- Cases residing in dormitories: **0**

There are no cases residing in dormitories today.

- Imported cases: **6 (1 symptomatic, 5 asymptomatic)**

Amongst the 6 imported cases, 1 is a Singaporean who returned from India. Another 2 are a Long-Term Visit Pass holder and Dependant's Pass holder who arrived from the Philippines and UK respectively. The remaining cases are Work Permit holders currently employed in Singapore who arrived from the Philippines and Myanmar. They had already been placed on SHN upon arrival in Singapore and were tested while serving SHN.

6 more cases of COVID-19 infection have been discharged from hospitals or community isolation facilities. In all, 58,039 have

fully recovered from the infection and have been discharged from hospitals or community care facilities.

Most of the 37 confirmed cases who are still in hospital are stable or improving. None is in the intensive care unit.

26 cases who have mild symptoms, or are clinically well but still test positive for COVID-19 are isolated and cared for at community facilities.

28 have passed away from complications due to COVID-19 infection.
