New coronavirus

Masks compulsory on all public transport from 6 July 2020. In addition, travellers from certain regions will have to go into quarantine. The ban on large-scale events for over 1000 people is set to remain in place until the end of August.

Notice: We are currently in the process of updating the content on our website to reflect the decisions of the Federal Council of July 1st.

Personal responsibility remains important: Washing your hands regularly with soap and water and keeping your distance are still the best ways of preventing infection. Continue to observe the [rules on hygiene and social distancing](#) as the coronavirus should not be allowed to spread again.

Coronavirus Infoline: +41 58 463 00 00, 6am to 11pm
