Results about the new Coronavirus in Timor-Leste

Tue. 14 of April of 2020, 17:51h

Rui Araújo, spokesperson for the Integrated Crisis Management Centre (CIGC), today, April 14, 2020, released the results recorded so far in Timor-Leste, related to the new coronavirus, at a press conference held at the Dili Convention Center.

So far, there have been a total of 178 suspected cases, of which 135 have been negative and 34 are still waiting for the test result.

There are six confirmed positive cases, two more than yesterday. Of these six cases, five are in isolation and one is already recovered.

There are a total of 570 people in quarantine in mandatory confinement places set up by the Government.
