What is the situation in Northern Ireland?

Back to top

From Sunday 19 April the Department of Health will be releasing the daily statistics on coronavirus (COVID-19) which will be available at <u>www.health-ni.gov.uk</u>

The daily update from the Department of Health replaces the Daily Bulletin published by the PHA up to 19 April 2020.

The Public Health Agency COVID-19 advice page can be found here. Previous surveillance reports can be found here.

Information sources

As this situation is rapidly changing the most up-to-date guidance can be found on the Public Health England website: www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance

Advice for medical professionals can be found at: www.gov.uk/government/collections/wuhan-novel-coronavirus

For information on guidance for healthcare professionals on COVID-19 infection in pregnancy see: https://www.rcog.org.uk/en/guidelines-research-services/guidelines/coronavirus-pregnancy/

We use cookies on our website to support technical features that enhance your user experience. We also use analytics & advertising services. To opt-out click for more information.

A new COVID-19 NI app has been developed and includes a symptom checker and the latest advice for people living in Northern Ireland.

You can download the app from Google Play and the Apple App Store.
