

# COVID-19: What is the situation in Northern Ireland?

Sunday, 19 April 2020  
- Health Protection

Table of Contents

## What is the situation in Northern Ireland?

[Back to top](#)

**From Sunday 19 April the Department of Health will be releasing the daily statistics on coronavirus (COVID-19) which will be available at [www.health-ni.gov.uk](http://www.health-ni.gov.uk)**

**The daily update from the Department of Health replaces the Daily Bulletin published by the PHA up to 19 April 2020.**

The Public Health Agency COVID-19 advice page can be found [here](#). Previous surveillance reports can be found [here](#).

### Information sources

As this situation is rapidly changing the most up-to-date guidance can be found on the Public Health England website: [www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance](http://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance)

Advice for medical professionals can be found at: [www.gov.uk/government/collections/wuhan-novel-coronavirus](http://www.gov.uk/government/collections/wuhan-novel-coronavirus)

For information on guidance for healthcare professionals on COVID-19 infection in pregnancy see: <https://www.rcog.org.uk/en/guidelines-research-services/guidelines/coronavirus-pregnancy/>

Coronavirus (COVID-19): latest information and advice: [www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public](http://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public)

For further information on coronavirus see: [www.who.int/health-topics/coronavirus](http://www.who.int/health-topics/coronavirus)

A new COVID-19 NI app has been developed and includes a symptom checker and the latest advice for people living in Northern Ireland.

You can download the app from Google Play and the Apple App Store.
