Other management information

On 20 April 2020 there were:

- 3,555 calls to 111 and 520 calls to the Coronavirus Helpline. The number of calls to 111 includes all calls, whether or not they relate to COVID-19

- 1,565 Scottish Ambulance Service (SAS) attendances, of which 353 were for suspected COVID-19. SAS took 205 people to hospital with suspected COVID-19

- 619 people delayed in hospital. This is 993 less than the baseline period (04/03 weekly return). An initial target to reduce delays by 400 by the end of March and a further target of reducing by a further 500 by the end of April have now been met.

- 475 (44%) adult care homes which had lodged at least one notification for suspected COVID-19 to the Care Inspectorate. It is important to note that not all of these care homes will still have outbreaks; additional data will be published shortly on the number that currently have outbreaks.

- a total of 6,971 staff, or around 4.2% of the NHS workforce, are reporting as absent due to a range of reasons related

to COVID-19
