A total of 47,749 people in Scotland have been tested. Of these:

- 37,698 were confirmed negative
- 10,051 were positive
- 1,231 patients who tested positive have died

Management information reported by NHS Boards shows:

- 140 patients with confirmed or suspected COVID-19 were in intensive care last night, with 131 of those having tested positive
- There were 1,748 people in Scottish hospitals with either confirmed or suspected COVID-19 (including those in intensive care).

Find out about the [process for reporting COVID-19 deaths](#).

The latest weekly report on COVID-19 related deaths (including those where COVID-19 is suspected) is available from [National Records of Scotland \(NRS\)](#) .

This report provides report provides a breakdown of deaths by age, sex, setting (hospital, care home or home) and area (NHS Board area and Local Authority). It is updated every Wednesday.

## Management information reported by NHS Boards shows:

- 140 patients were in intensive care last night, with 131 of those having tested positive
- there were 1,748 people in Scottish hospitals with either confirmed or suspected COVID-19 (including those in intensive care)

| Health Board | Positive Cases | People in hospital at midnight (confirmed or suspected) | People in intensive care at midnight (confirmed or suspected) |
|--------------|----------------|---|---|
|              |                |   |   |

|                                  |       |     |    |
|----------------------------------|-------|-----|----|
| Ayrshire and Arran               | 692   | 102 | 7  |
| Borders                          | 258   | 56  | 5  |
| Dumfries and Galloway            | 237   | 24  | *  |
| Fife                             | 653   | 133 | 6  |
| Forth Valley                     | 655   | 96  | 6  |
| Grampian                         | 700   | 98  | 9  |
| Greater Glasgow and Clyde        | 2,428 | 557 | 49 |
| Highland                         | 220   | 52  | *  |
| Lanarkshire                      | 1,187 | 244 | 18 |
| Lothian                          | 1,730 | 287 | 25 |
| Orkney                           | 7     | *   | *  |
| Shetland                         | 54    | *   | *  |
| Tayside                          | 1,224 | 92  | 5  |
| Eileanan Siar (Western Isles)    | 6     | *   | *  |
| Golden Jubilee National Hospital | *     | *   | *  |

Note: hospital numbers are by location of hospital, not residence.

\* = less than five

### Other management information

On 24 April 2020 there were:

- 3,206 calls to 111 and 385 calls to the Coronavirus Helpline. The number of calls to 111 includes all calls, whether or not they relate to COVID-19
- 1,507 Scottish Ambulance Service (SAS) attendances, of which 338 were for suspected COVID-19. SAS took 214 people to hospital with suspected COVID-19.
- 600 people delayed in hospital. This is 1,012 less than the baseline period (04/03 weekly return). An initial target to reduce delays by 400 by the end of March and a further target of reducing by a further 500 by the end of April have now been met.

- 500 (40%) adult care homes which had had at least one notification for suspected COVID-19 to the Care

- 526 (49%) adult care homes which had lodged at least one notification for suspected COVID-19 to the Care Inspectorate. It is important to note that not all of these care homes will still have outbreaks.
- 342 of these adult care homes have reported more than one case of suspected COVID-19.
- 384 (35%) adult care homes have a current outbreak of suspected COVID-19 as at 21st April. This is a care home where at least one care home resident has exhibited symptoms during the last 14 days.
- 2,621 cumulative cases of suspected COVID-19 in care homes. This is an increase of 176 suspected cases on the previous day.
- a total of 7,676 staff, or around 4.6% of the NHS workforce, reporting as absent due to a range of reasons related to COVID-19.
- 2,327 inpatients have been discharged from hospital since the 5th March, who had been tested positive for COVID-19, up from yesterday's total of 2,271.
