Circular No3 of 2020 guidelines on preventive measures against corona virus (Covid-19).The World Health

### THE DO'S AND DON'TS ON CORONAVIRUS DISEASE

THE DO'S AND DON'TS ON CORONAVIRUS DISEASE (COVID-19) BACKGROUND An outbreak of Coronavirus Disease (COVID-19) was declared by the World Health Organization (WHO) on 11th March 2020. The outbreak has now spread to all continents and 66 countries. In Africa, Algeria, Egypt and Nigeria have already reported cases. The possibility of spread to other African countries is extremely high. Although Uganda has no reported COVID-19 cases, it is a country that has high population density and mobility.

### Covid-19 Guidelines for safe mass gatherings

Mass Gatherings are characterized by the concentration of people at a specific location for a specific purpose over a set period of time. There is ample evidence that mass gatherings can increase the risk of transmission of infectious diseases such as Coronavirus (COVID-19). The Ministry of Health is providing this guideline for consideration by organizers of mass gatherings in the context of the novel coronavirus (COVID-19) outbreak. Examples of Mass Gatherings include:
