THE DO'S AND DON'TS ON CORONAVIRUS

BACKGROUND An outbreak of Coronavirus Disease (COVID-19) was declared by the People's Republic of China on 31st January, 2020. This outbreak has now spread to all continents and 66 countries and territories affected, along others yet to be affected.

In Africa, Algeria, Egypt and Nigeria have already reported cases. The possibility of spread to other African countries, Uganda included is extremely high. Although Uganda has no case of COVID-19, it is imperative that the population remains on high alert and adequately exercise preventive measures to avoid contracting the disease.

The Ministry of Health has developed the following do's and don'ts to educate the public on how to avoid contracting the disease.
