THE DO'S AND DON'TS ON CORONAVIRUS

BACKGROUND An outbreak of Coronavirus Disease (COVID-19) was declared by the People's Republic of China on 31st January, 2020. This outbreak has now spread to all continents and all countries and is currently affecting more than 100,000 people.

In Africa, Algeria, Egypt and Nigeria have already reported cases. The possibility of spread to other African countries is high. Uganda is currently free of COVID-19. It is important that the public takes necessary precautions to avoid contracting the disease.

The Ministry of Health has developed the following do's and don'ts to educate the public on how to avoid contracting the disease.

HEALTH TIPS

Wash you hands daily with the soap

Wear a mask if you are coughing or sneezing.

If you wear a mask, then you must know how to use it and dispose of it properly.
