1. What are the types of masks on the Ugandan market?	<p>There are two types of masks on the Ugandan market namely:</p> <ol style="list-style-type: none"> <li>1. Medical</li> <li>2. Non-Medical</li> </ol> <ul style="list-style-type: none"> <li>• The medical masks include: N95, KN95 and surgical masks.</li> <li>• The non-medical masks are made out of fabric (cloth).</li> <li>• Medical masks should be preserved for health workers in health facilities and are not reusable since it is used in a hospital environment. It is highly contaminated by various infectious organisms and its reuse is risky.</li> </ul>
2. How do face masks work?	<ul style="list-style-type: none"> <li>• COVID-19 is spread through sneezing, coughing, talking and breathing.</li> <li>• When an infected person wears a face mask, the mask blocks the virus from spreading through sneezing, coughing, talking and breathing.</li> <li>• The mask also prevents droplets from an infected person reaching the nose and mouth of the person wearing it.</li> </ul>
3. What type of masks should be used by the community?	<ul style="list-style-type: none"> <li>• The community is encouraged to use non-medical masks (masks made out of fabrics e.g. cotton masks).</li> <li>• A 2-layered cotton mask with a filter material (e.g. paper towel) or coffee filter or polypropylene (the material often used for non-plastic shopping bags placed) between the 2 layers may improve the mask. This material acts as a filter and can be removed before washing. Polypropylene is washable and reusable.</li> </ul>
4. How protective are cloth and other face masks?	<ul style="list-style-type: none"> <li>• When a double cloth mask is used with a filter inside, it performs better over any cloth mask from CDC.</li> </ul>
5. Who should wear a mask?	<ul style="list-style-type: none"> <li>• All adults</li> <li>• Children aged 6 years and above</li> <li>• People with breathing difficulties should seek advice from medical personnel.</li> <li>• Children aged 3-5 years are very active and cannot take care of their masks and observe hygiene. They should only put on masks under close supervision.</li> <li>• Children below 2 years should not wear a mask as they have a small lung capacity.</li> </ul>
